

We've got a soap bubble blaster,

Why are you crying, Andy?

I'm not crying, I just got a soap bubble in my eye.

BUZZ!

an extraterrestrial observation centre,

The fly kept buzzing. The bog toad kept watching.

Until, suddenly, without warning, the bog toad launched itself into the air and tried to catch the fly.

As the bog toad opened its mouth to swallow the fly, all the mud that it had sucked up came gushing out in a great brown wave.

BUZZ! BUZZ!

The fly buzzed. It buzzed and buzzed and buzzed and buzzed and buzzed.

and a (very high) jump ...
