

Piesa lipsă stătea singurică...

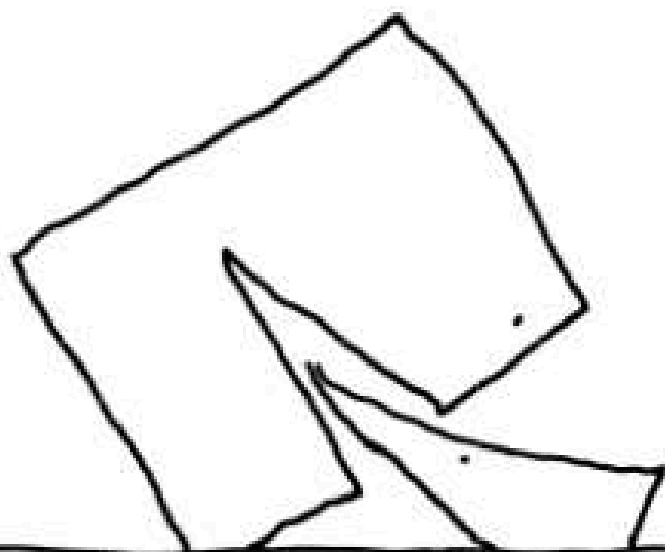

și aștepta
să vină cineva
și s-o ia de acolo.

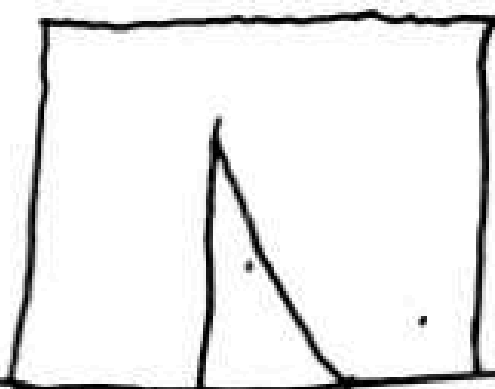

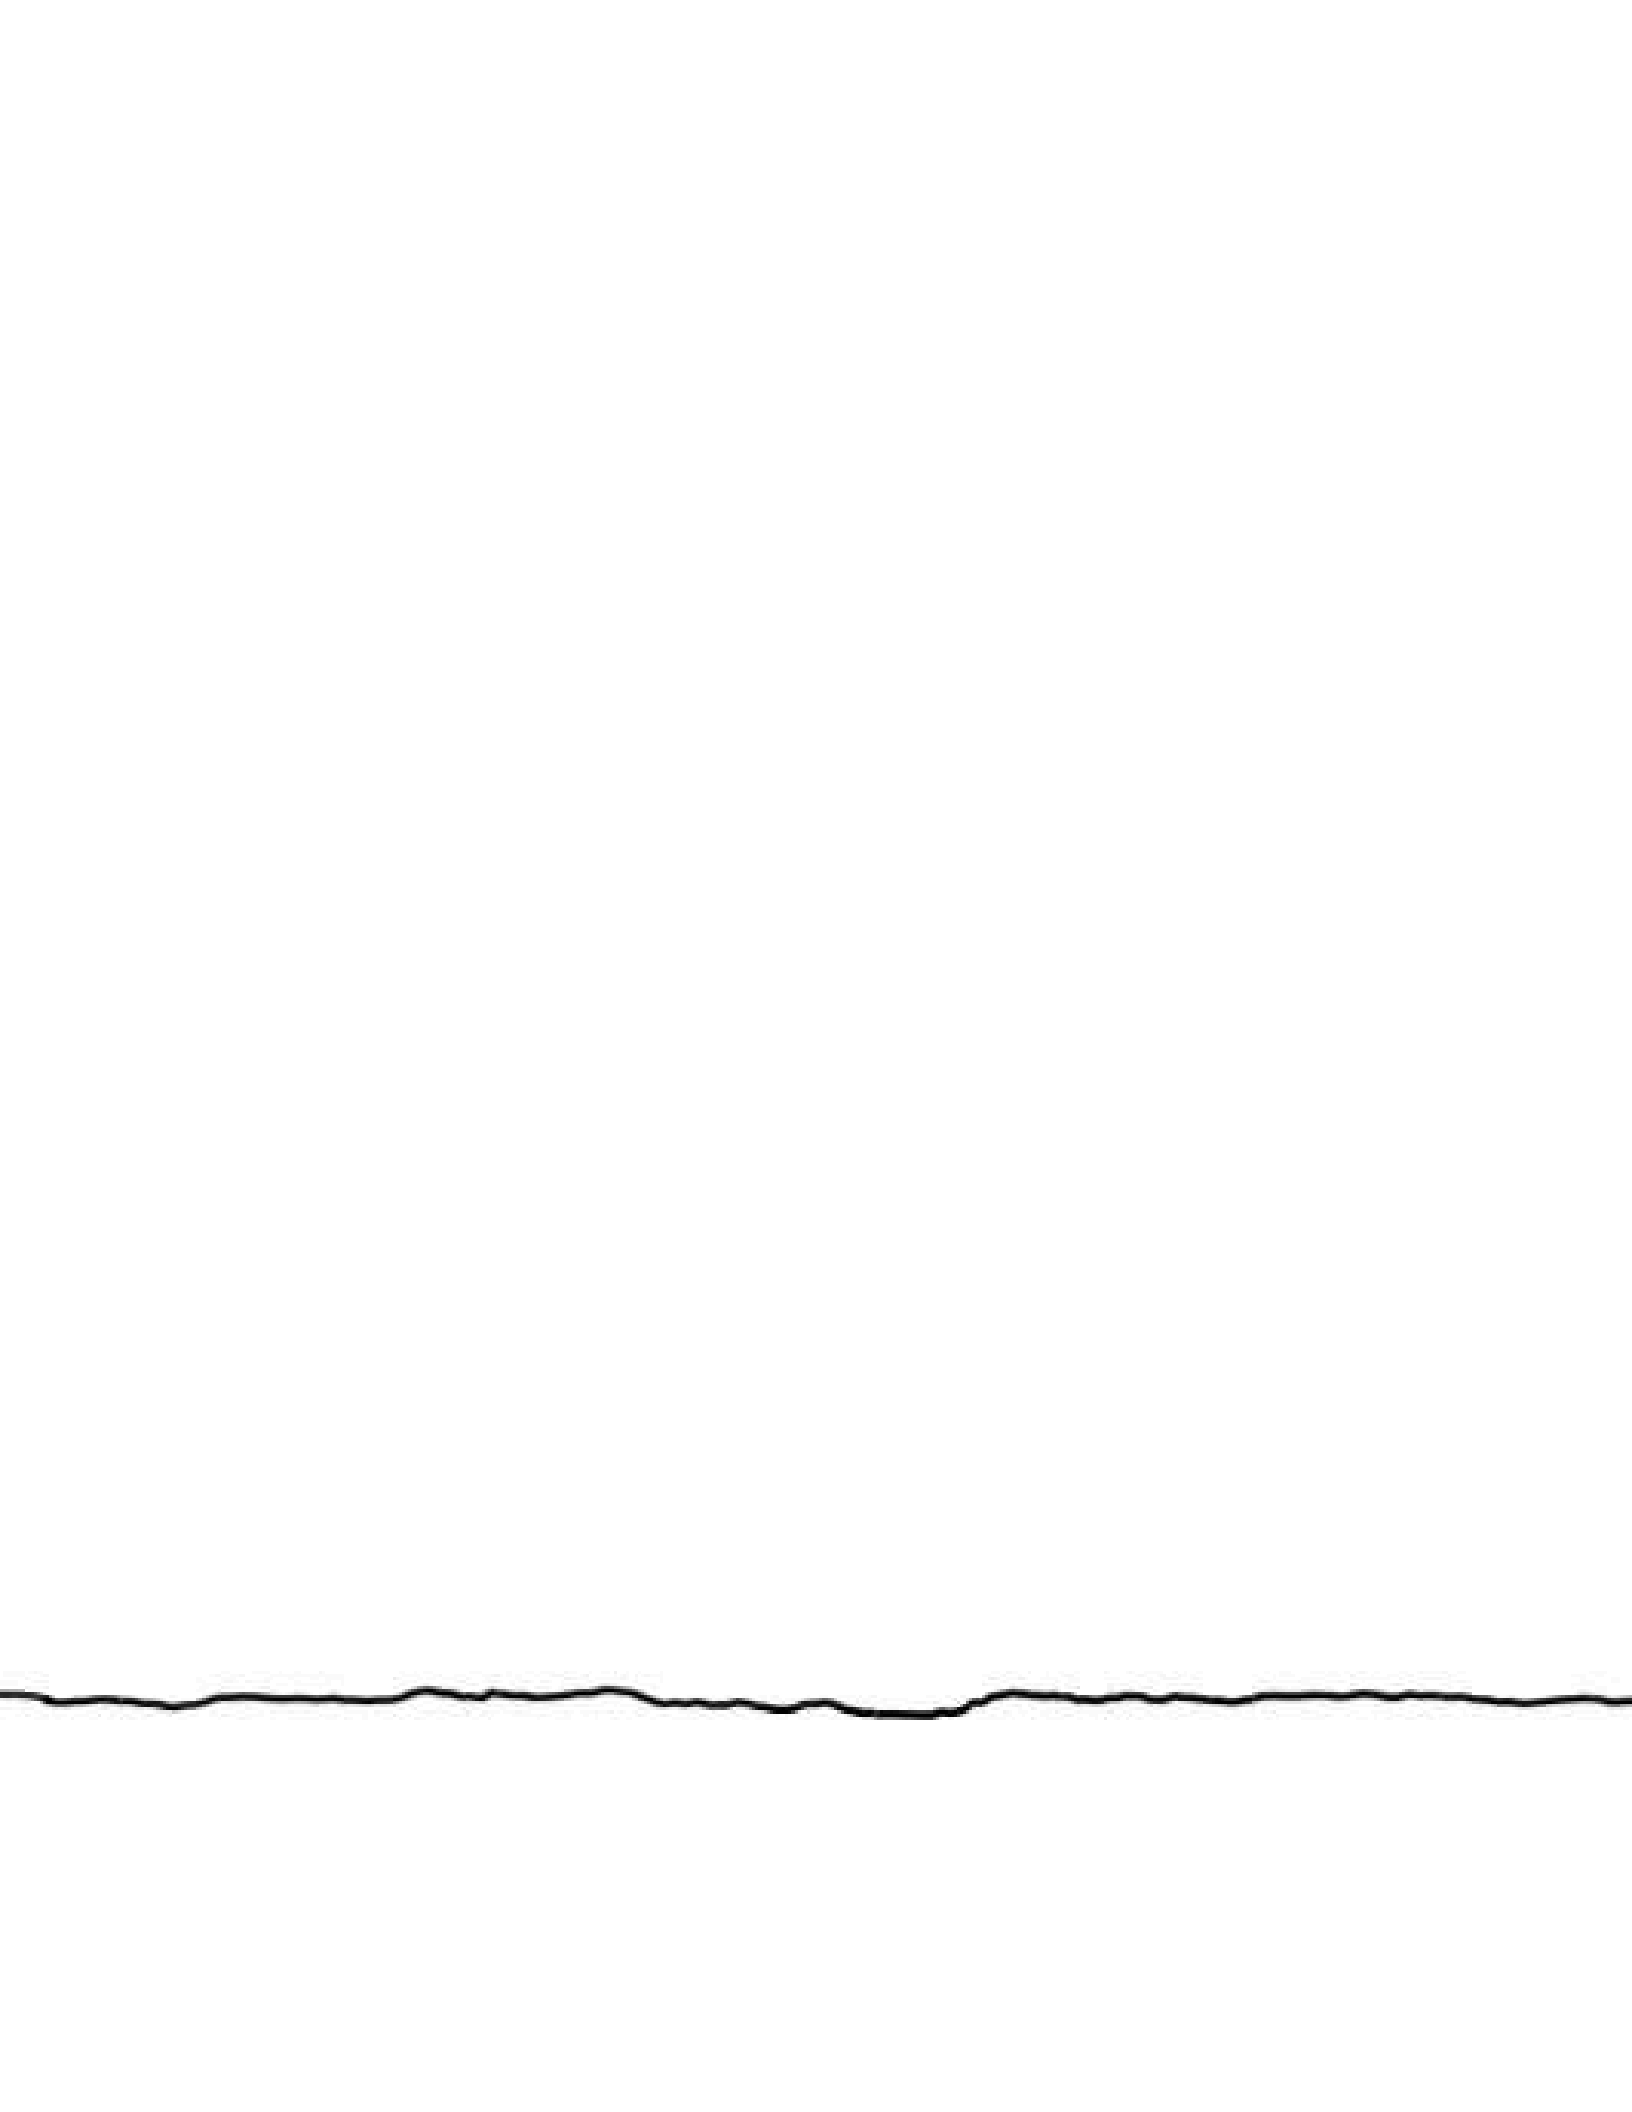

Cu unii se potrivea...

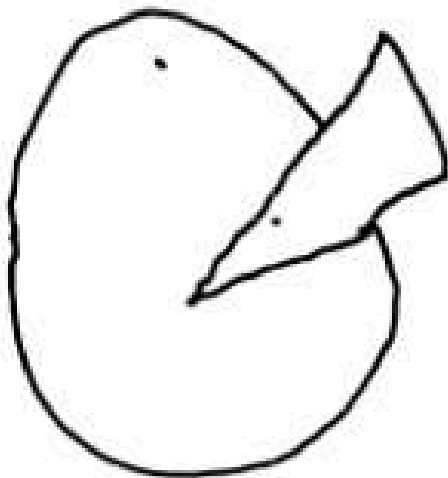

dar nu se putea mișca.

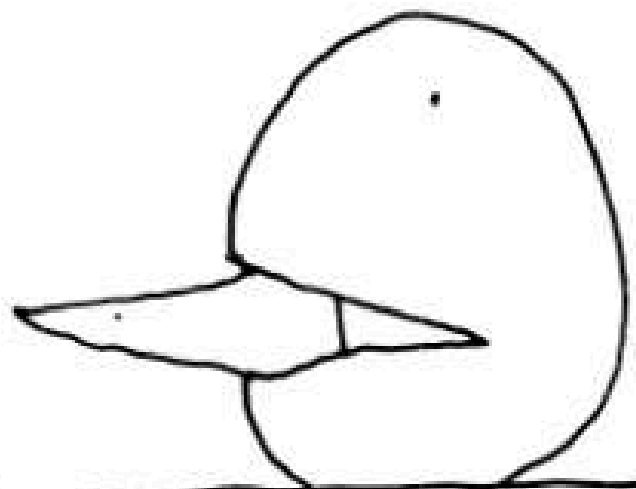

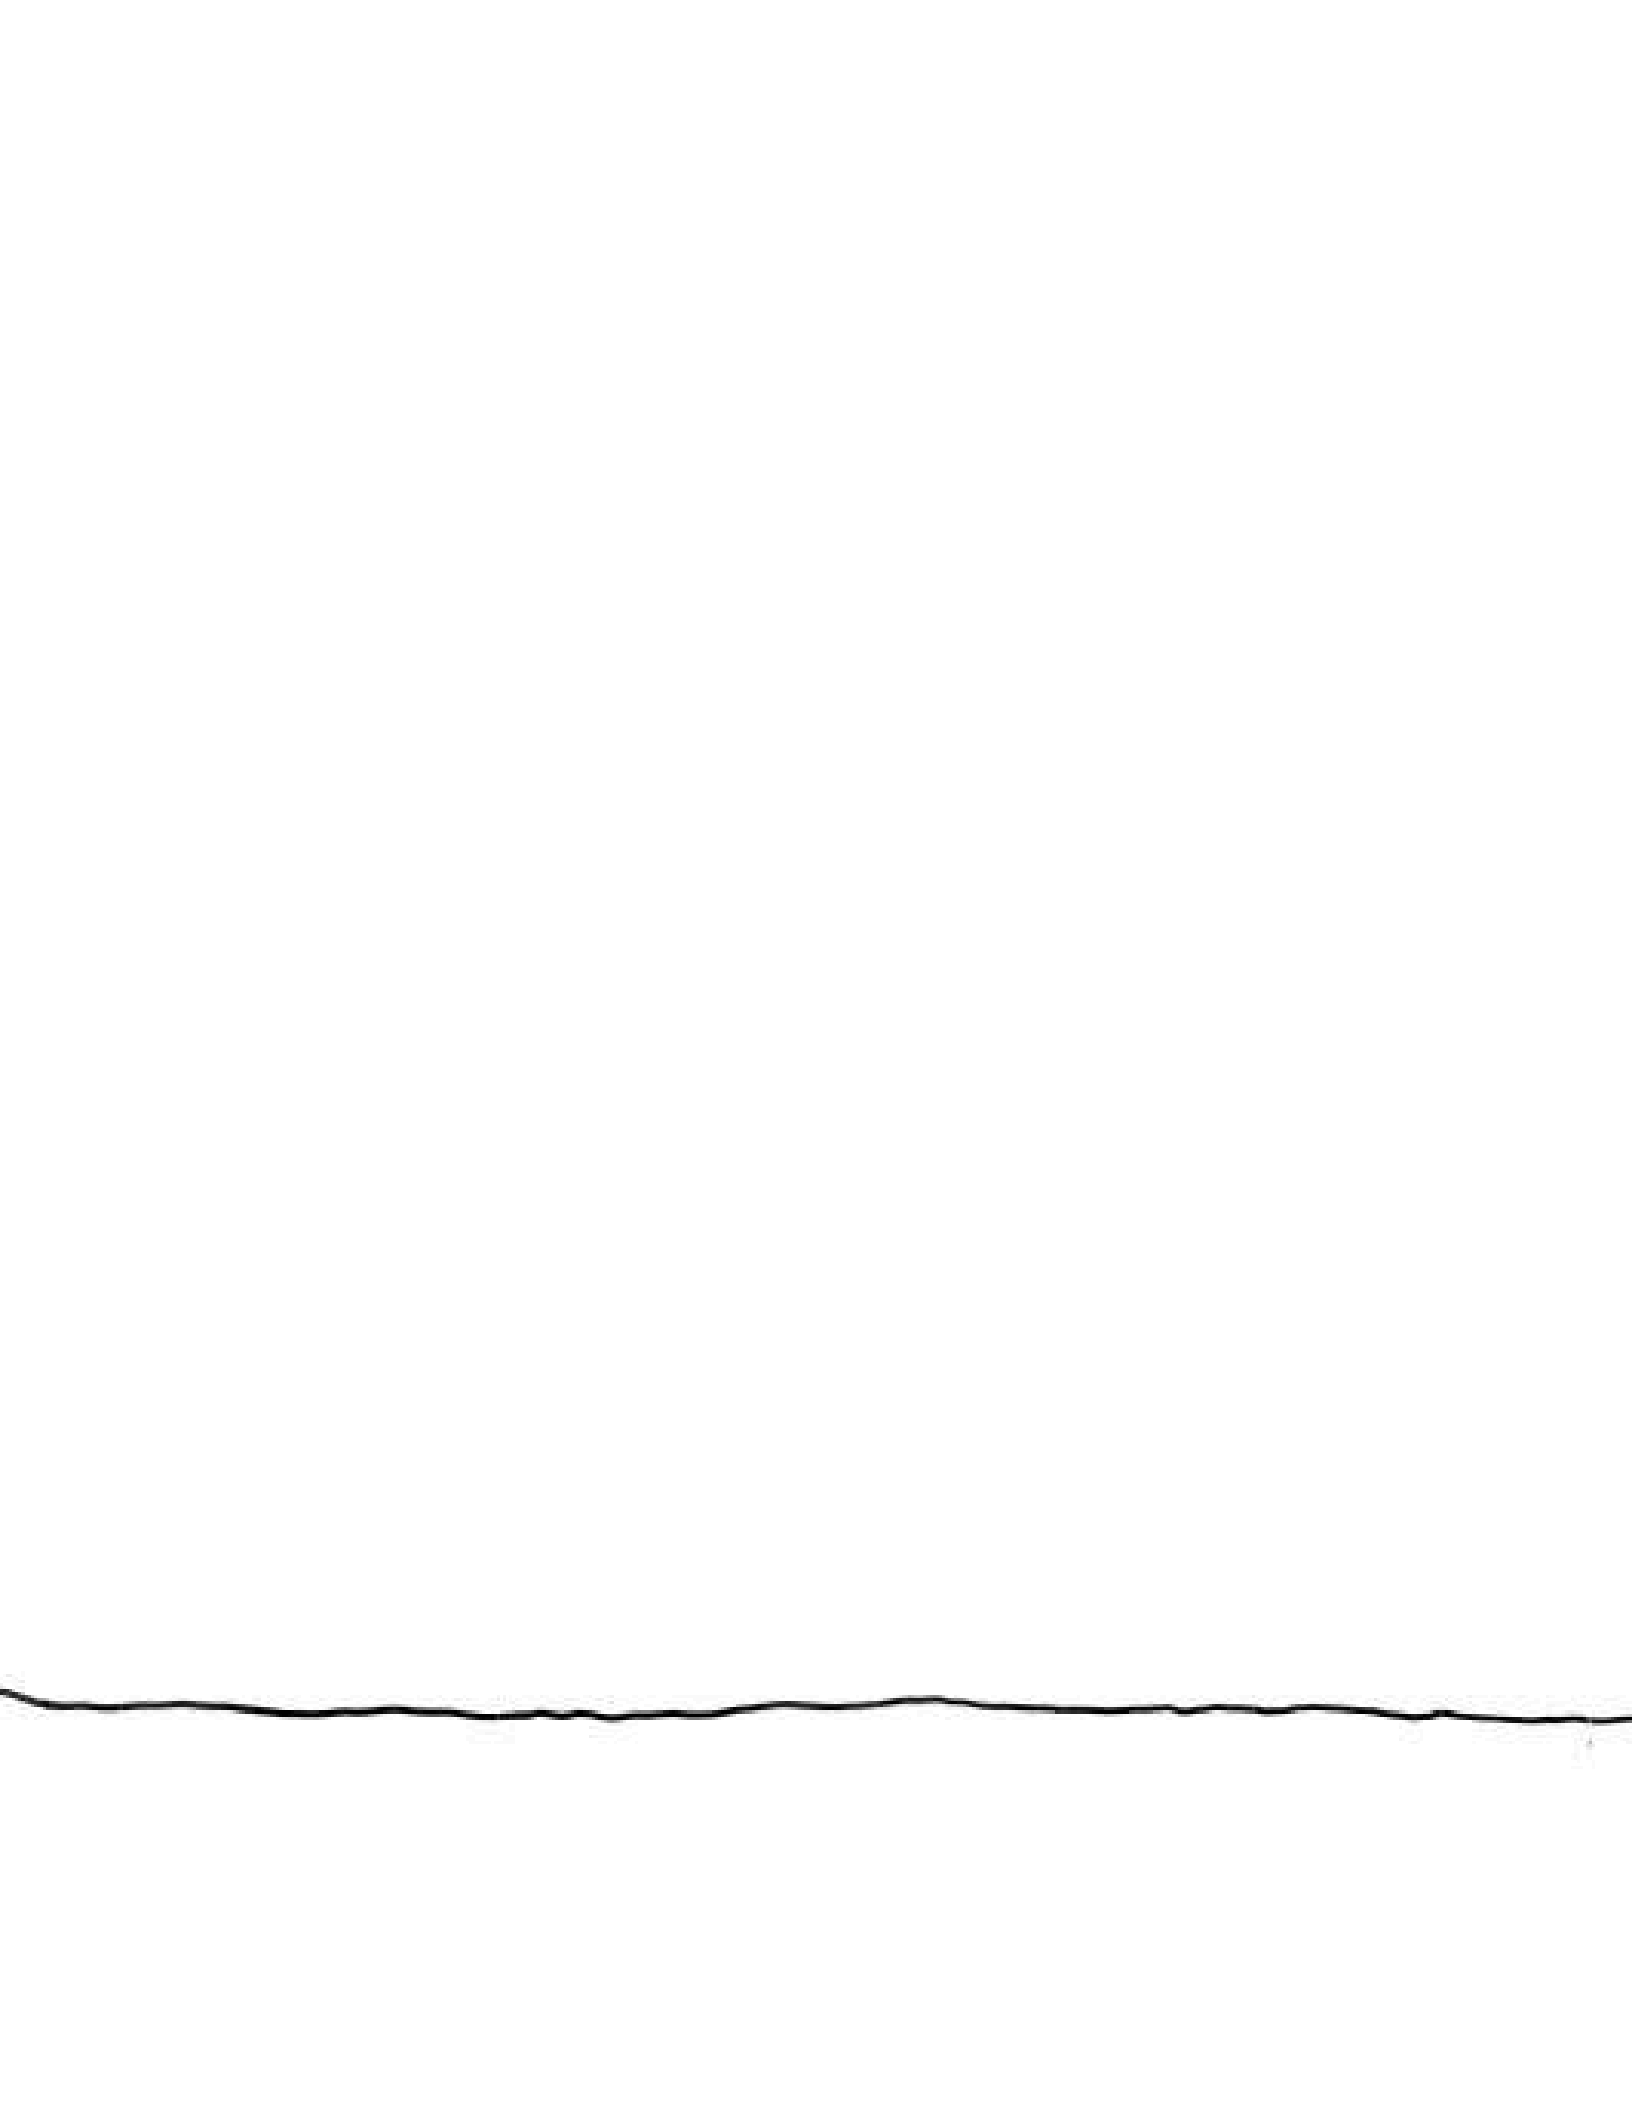

Cu alții s-ar fi putut mișca,
dar nu se potrivea.

Unul habar n-avea ce-i aia
să te potrivești cu cineva.

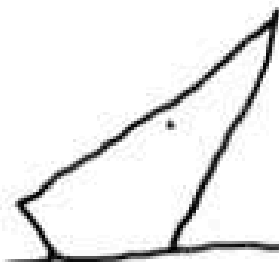

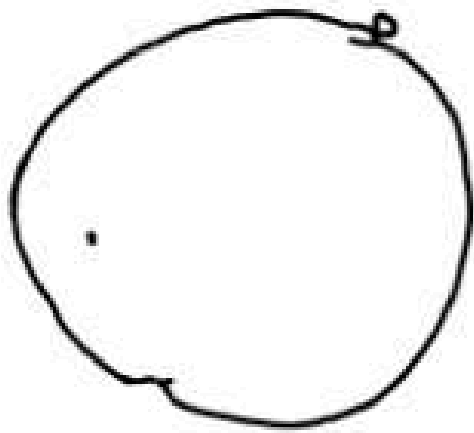

Iar altul
habar n-avea
de nimic.

Unul era prea sensibil.

POC!
