

A vibrant, cartoon-style illustration of a city street scene. A yellow bus with 'AUTOBUZ' written on its front is driving towards the viewer. The driver is an elderly man with glasses. The street is paved with light-colored bricks and has a yellow double-line curb. On the left, there's a sidewalk with a large green tree, blue benches, and a red fire hydrant. In the background, there are buildings, including one with a sign that says 'AUTOSALE MEGAMALL GSM SHOP'. A traffic light on the right shows a green light. The sky is blue with a few clouds.

Autobuzul a pornit la drum –

Brum, brum, brum!

Brum, brum, brum!

Ușile în stație se deschid.

Se închid, se deschid.

Pa-pa, bebe!
